The kitchen has all new everything and is open to the living and dining areas. Two bedrooms and an office room that could serve as the third bedroom just by adding a closet. One level living with the laundry conveniently located just off the kitchen. This home offers Two baths, can you believe it for this price? New carpet, freshly painted throughout and pretty light fixtures as well. Don't let a little steepness of the drive keep you from giving this home a peak. Good basement storage is a plus.
